

contrib/dect-nr/model
/dect2020-mac-information
-elements.h

```
graph TD; A["contrib/dect-nr/model  
/dect2020-mac-information  
-elements.h"] --> B["ns3/header.h"]; A --> C["cstdint"];
```

The diagram illustrates a file path at the top level, which branches into two separate files below it. Two blue arrows originate from the bottom of the top box and point to the top of the two bottom boxes.

ns3/header.h
